Paul, Thank you soooo much .PS Kerry Sills said to tell you hi . I'm at his house reading your documents and some of Harley's we found picture with Harley running for Sheriff . Thank you Paul I hope to see you soon . I'm filing the document for New Mexico and a couple more of yours with my response to Trudy Reed Chase 's telling me that The State of New Mexico gives her jurisdiction over me ,and she said that I am a corporation and that I am franchised . In 2013 I wrote you for hours on thepeopleofnewmexico.com and Constitution club holding elected officials responsible . I had a few dealings with them .Male hemp 3 grams maybe and a year old in my blender because I called 911 my sister beaten by her boyfriend ,Ashburn Sheriff tricked me threatened me with jail if I did not give him a pipe and left overs ,he said my sister said we smoking I. My trailer ,it was a lie . Long stories . I wonder if you seen one I sent you a out Trudy Reed Chase Magistrate Aztec ,I think I derobed her . She screamed every answer to my nice questions about law being practiced and jurisdiction and if she working under her oath to protect my rights ,she screamed at me that I had no rights ,I said "title 18 sec 242 was a little mixed up . Still learning , and will never forget learning from you ! You are my Hero ! The whole worlds Hero ! I am blessed to know you and to have copies of your work . I love you Paul Thank you for your never retiring ,fearless dedication service to helping free us from the corrupted evil ones ,treachery. Can I have an army with me or just you when I go to court ? I'm filing in County Clerk's Office Monday and filing at the Magistrate's Clerk also . She ignored my affidavit and ucc 1 at first court . it s for speeding , Kerry got it on video I did not do good that day ,not as good as I am capable of .That gives me the chance to do it alot better now ,with your help .Thank you ! Your friend forever Jessene Roe Beecroft Banks , it's Beecroft but motor vehicle /another long story . Hope to see you soon. . !!! Thank you Paul!
